

**CANDIDATE FOR TOWN COUNCIL MEMBER  
TOWN OF YUCCA VALLEY**

**NAME: LORI HERBEL**

**AGE: 50**

**OCCUPATION: Retired Organic Farmer**

After farming for 15 years in Fallbrook, Ca. my husband and I decided to move to Yucca Valley where quality of life seemed to be in abundance in its blue sky's, starry night sky's, beautiful native flora, abundant wildlife and peaceful rural living. A short time after moving here I realized the need in our community for an open-air farmers market. Establishing Yucca Valley Certified Farmers Market became my priority and the Market came into being May 21, 2005 and is going strong thanks to the continued support and partnership of local farmers and our faithful community.

I enjoy being involved in community service, and I have had the privilege of being appointed and serving on Yucca Valley's Parks Recreation and Cultural Commission.

I realize the issues facing the Town of Yucca Valley, I have attended all but three Town Council meetings in the last two years. I believe many people have chosen Yucca Valley as their home for some if not all of the same reasons my Husband and I choose to live in this community. It is my desire and expectation to retain the quality of life we have come to know and love.
